ADVERTISING FLAGS

- Full-color dye-sublimation printing
- 110g knitted polyester fabric (single-sided flags)
- Direct print process provides excellent color saturation to back side of fabric
- Double-sided flags are tri-layered & include a blockout center
- Printed flag includes bungee cord to attach to pole base

outdoor

indoor

custom
printed

Durable fiberglass-graphite composite pole set with carrying case

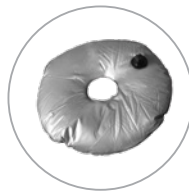

Coated-steel rotating spike with stainless steel bearings for in-ground application

Heavy-duty X-base for indoor or flat surface environments

A durable, fillable base designed to keep your flag securely in place.

Water bag to provide additional weight (for use with X-base)

Single-sided

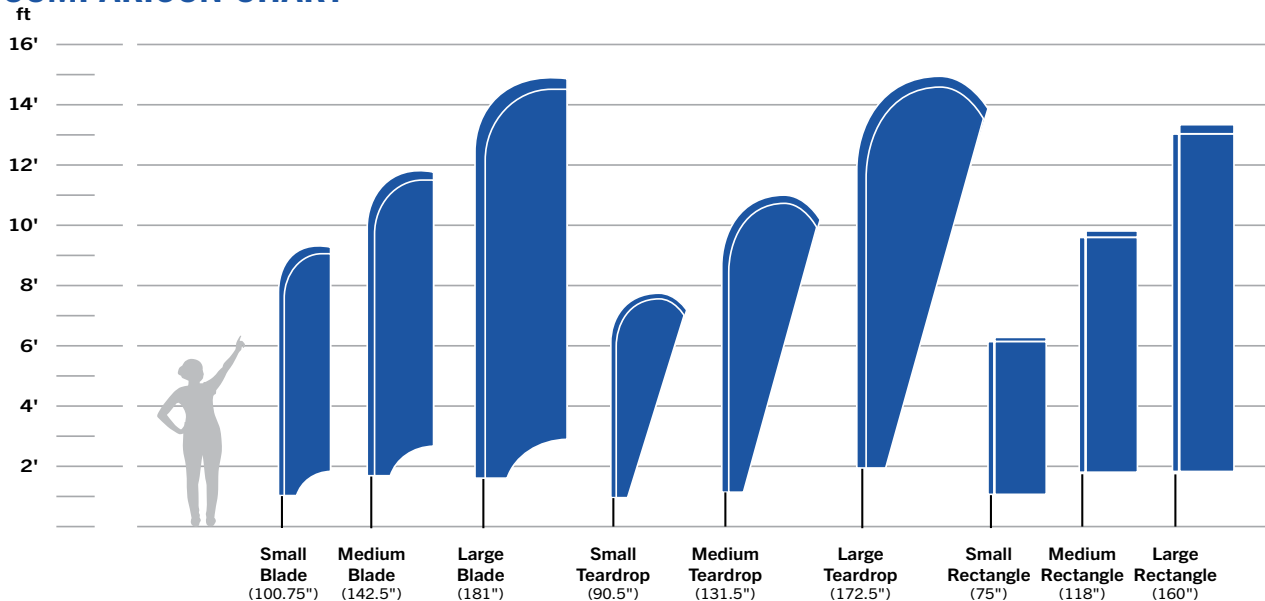

Double-sided

Single-sided printing is visible on both sides (mirror image on the back). Double-sided printing ensures that the graphics on both sides read properly.

WOW YOUR
CUSTOMERS

An abstract graphic featuring flowing, layered blue waves or ribbons that create a sense of movement and depth. The waves are rendered in various shades of blue, from deep navy to lighter, more vibrant tones, with highlights and shadows that give them a three-dimensional appearance. The overall composition is dynamic and modern.
